ABSTRACT

In sequential to the perpetual, and unprecedented hegemonies of the snare set by the devil and his cohorts against Jesus Christ Glorified and mankind. Verily speaking the devil is not in support of Jesus Christ to be the son of God talk less of mankind's dominating the earth planet. Since the devil and cohorts were woefully and shamefully deported right from heaven to the earth surface. On the contrary another battle of supremacy have begun just for him and his cohorts to rule the earth planet. After defeating the man in the Garden of Eden and God drove Adam and Eve from the Garden of Eden, it was then the devil and his cohorts went through extra mile for spreading familiar evil spirit being of all kinds on humanity. God used prophet Abraham as a cardinal point for man to immolate but felt by having two wives but God overlooked that (two sons from different mothers Ishmael/ Ismaila half Jew and half Arab from the Egyptian maid Hagar who was purely Arab and Isaac/Ishaq was pure breed (mother Sarah was a Jew and father Abraham Jew Too. Thus, both from the same father Abraham. Thus Sarah latterly had her son at the late hours of old age (Isaac/Ishaq). Isaac/Ishaq who was purely Jew from both father and mother (The legitimate son was approved by God). The battle of supremacy might have had started from Ishmael/ Ismaili (illegitimate son) representing Islam and Isaac/Ishaq representing Christian the legitimate son approved by God once again. Prophet Moses was also used as the cardinal point during his era when God gave him the Ten commandment that the descendant of Abraham should stick on yet the ten commandment was used somehow in the generation of Law. Thus, the Muslim still stick on some of law if one steal his/her hand must be amputated. In the generation of grace this is where the big problem stands the Muslims do not take that so serious even though Jesus Christ has categorically stated that he did not come to abolish Moses' law but he came to add some magic to the old law or soup. There are three Abrahamic religions (Islamic, Christianity and Judaism and none Abrahamic religion (Buddhist, Hindu, Taoism, and Confucianism of North Korea etc., respectively. Judaism and Islam disagree with some certain opinions that Jesus Christ did not resurrected, Jesus Christ is not the son of God, he was a mere prophet. Mohammed was the greatest of all times. The investigator discovered that Islamophobia and Christianity is becoming a menace and chaos gambling enterprises (influx of illegal immigration to other countries without national or international interest). Further investigation was done under this kingdom of death, they were ten divisions and several other divisional heads of death are purposely meant to punish the entire human race. Ten Dimensional Acanis, Bahamas Appy-sinail, Acanis Bamly, Bahaly, Balamas, Byepemis, Byebees, Bappy bees, and Bappoly. In view of the current investigation, Christ Glorified has vehemently warn with great grievances of his second coming; that would have been so terrifying one to entire mankind i.e. tribulation before rapture in not more than hundred years or thereafter. Heaven is real and hell is real come one come all; it depends on one's choice!

KEY WORDS. *Influx of illegal immigration, the three Abrahamic religion, battle of supremacy between Ismaila and Ishaq, Rapture within 100 years to come, Jesus Christ is not the son of God, Jesus Christ was just a mere prophet, Mohammed is the greatest of all time.*

I. INTRODUCTION

Ladies and gentlemen don't be offended when the message of God falls in to your farm, and lo please take it kindly for we are in the era of end time which is just the begging of sorrow to every mankind. Thus, the truth must speak for itself as time went on. Verily speaking, in the Christian home in those days traditionally they usually married 3-4 wives but because of farming activities and some local domestic activities that usually kept them for easy going without bias. In the process of time, when Christianity was introduced and by dedicated search scripture, it was found that married is good for family affairs (one wife one husband) which God gave Adam as a helpmate(Eve). Nowadays the whole story have change due to wrong Christian and Islamic doctrine. If God would have had given Adam four wives we wouldn't have been in these big problems of migration to another man's country (having many children but one cannot feed them). Thus it is that same God that says we should have had married or multiplied like the descendant of Prophet Abraham. Does God told prophet Abraham to have two wives then why Sarah and Hagar the Egyptian maid. Jesus Christ says it is not mandatory for one to marry but when want wishes to stand on his own without married is allow, but for the sake of trial and temptation one needs to marry. He when further to have stressed the need that in heaven everyone would have been like angel; he said once again no one would have had asked someone what was the name of your children or how many wives one's has when he/she was on planet earth? For lo everyone would have had been like an angel if one does good and acknowledge that Jesus Christ is Lord of lords and son ship. The bible said mankind's should get married and multiple to it fullness (like descendants of prophet Abraham) as our Muslim brethren are under going without checkmating the danger of overpopulation(increasing factor of production on a fixed factor of land or bad leaders). No avenue of creating job opportunity to the youth. Marrying four wives in the islamophobia is allow; marrying and issue a certificate of divorce and not too conservative four times is acceptable. Influx of illegal immigrants for islamophobia and Christianization to another country just for religious growth or change another man's cultural heritage overnight, and lo not for international or national interest is another big problem. From the writer point of view Jesus Christ told us that let everyone should go and preach the gospel of the soon coming of our Lord Jesus Christ to every leaving creatures and lo those who believe baptize them in the name of our Lord. ***Jesus And He said to them, "Go into all the world and preach the gospel to every creature. Whoever believes and is baptized will be saved, but whoever does not believe will be condemned"***

(**Mark 16:15**). From the scripture he did not specify whether one is Pastor, Rev father king bush, Bishop/ Apostle etc., respectively. He generalizes that everyone must go out and fetch out the lost sheep. On that very day of torment, Jesus Christ will not tell the General oversea Bioshop Oyedepo/ pastor Kumuyi, Teacher Oyakelomi stand by my right side and tell me your church members. The only thing Jesus will ask how many souls have one won when he/she was on planet earth and lo one would also give an account of what one has done period!!! My big bro neither Rev. father king bush nor prophet "Dan Zomo" nor pastor "Dan Bera" will save your soul on the great day of torment. One question the writer must asked; was Jesus Christ either a pastor or an apostle or Prophet or an evangelist or disciple or Teacher? Did Jesus Christ has a church a part from synagogue? Why churches everywhere. Does one who goes to weekly, annual church crusade, annual church convention activities in the church be save on that great and thunderous day? **Mathew 24:5-40**. Going for weekly, annual church crusade, annual church convention activities in the church is like one is moving in a virtual circle (work done is zero) no soul winning; except, the pastors. Who is fooling who? Sheep of God be careful of the so many wolves that calls themselves pastors / Rev father king bush, . Apostle / Evangelist etc., respectively for they are end time false prophets of doom. On the other hand, could one please take a look of the 12 apostles of Jesus Christ none of them find it very easy in preaching the gospel. Apostle John was crucified on the cross upside down while one of the apostle was it James who was thrown in hot frying cake pan just for Christ sake. If these people passed through these terrible agonies in their days why are the loop worm Christian are so ashamed of preaching the gospel of our Lord Jesus Christ to the lost souls(Judaism's, Muslims, Budish's Hindus) etc., respectively. If the Muslim are fighting you through Jihadis, terrorism, bomb blast, suicide bombing why wouldn't you fight them through diplomatic and charismatic approach. Some of these day the European countries have gallantly stood on their toes so as start ejecting the Muslims brethren out of their countries unceremoniously. Who is to be blame the Muslims or the Europeana- men. The writer doesn't need to blame the Muslims but rather the Europeana-men for they were so relax and feeling so comfortable with their family,

Plate 1 posted end time false prophet, Pope, Revfather king bush, Apostle, pastor, being feed by the poor through tithing and impromptu offering.

Rev father king bushes , pastors and doing the usual church routine(Sunday to Sunday and weakly Church activities) while the Muslims brethren were gathering momentum to building and expanding mosques and trying to modified their cultural heritage that would have suite their own curiosity. Sir, did you normally tell them about the good message (truth) of the coming of Jesus Christ so soon (100years or thereafter) , did you usually tell them the danger of influx illegal immigration to another man country without national interest or international interest. Did you usually tell them the danger of overpopulation on a land that is fixed when factor of production increases ?The bible says the thief cometh to steal, kill and destroy while Jesus cometh to save and have life in abundant.

The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full. (John 10:10). Ignorance is a disease that which the European countries felt to realize on time and they are indeed suffering for it. Finally apostle Paul one of the greatest evangelist went as far telling the people that he has fought the good fight of faith and it is now left for him to have worn the crown on the very day that he will be in heaven with Christ Jesus. .

I have fought the good fight, I have finished the race, I have kept the faith. From now on there is laid up for me the crown of righteousness, which the Lord, the righteous Judge, will award to me on that day—and not only to me, but to all who crave His appearing (2 timothy 4:7).

II. LITERATURE REVIEW

CHAPTER TWO

Truly speaking if mankind would have known the truth about God there wouldn't be terrorism , banditry kidnapping and killing of innocent blood created by God Almighty . The untruth phenomenon is the false hood and different religious doctrine. The cardinal key pointer or reference pointer is simple the bible period!! Even in three Abrahamic religions (Islam, Christianity and Judaism) some versus in the Quran are quoted from the bible only for alteration just to satisfied human snare or their own selfish curiosity as shown in plate 3 . And lo the world is totally and adequately in confusion by the way and manner some religion s are saying one's religion is better than others. The fool says in their heart there is no God and had gone extra mile to have started doing anything their heart desire(kill, kidnaping , terrorism, banditry due wrong doctrine.

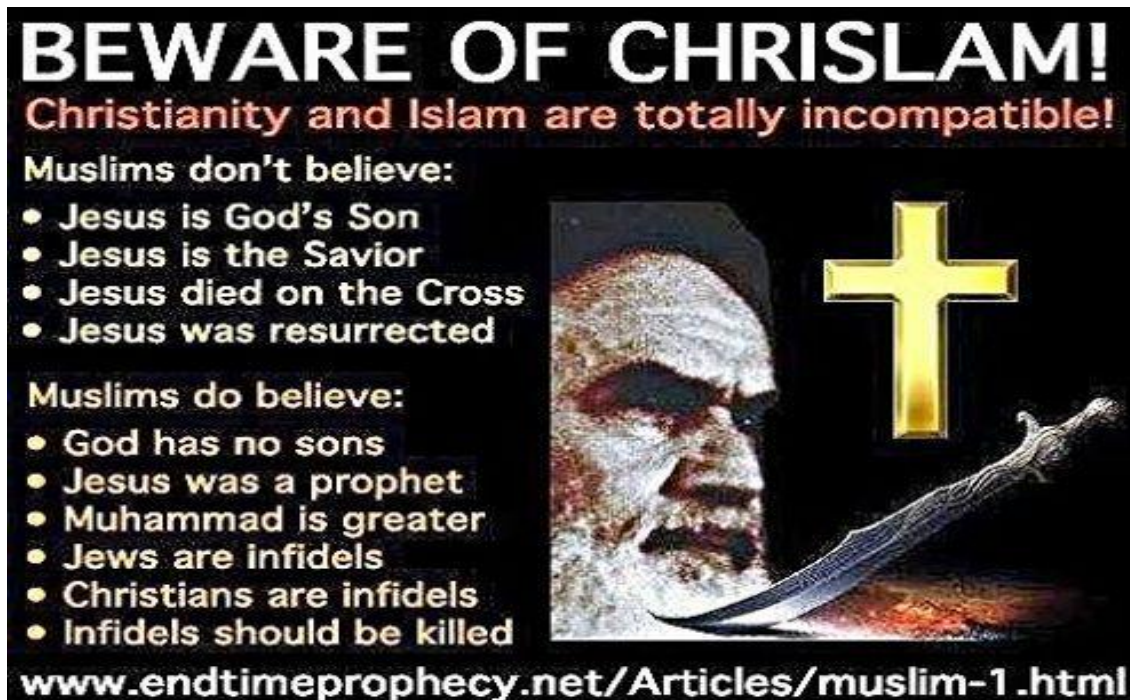

Plate 2. posted shows Christianity and Islam are totally incompatible (twain Rail way line)/ Light and darkness would never have met at all.

The fool says in his heart, "There is no God." They are corrupt; their acts are vile. There is no one who does good. (psalm 4:1). The bible says in the book Exodus thou shall not killing, thou shall not steal, thou shall not worship any other gods/Allah / man made graven image **Exodus 20:1-17**). My fellow brethren are we not seeing them in the churches and mosques worshipping Pastors or Mallam had said so. Are we not seeing rituals and stealing being done in the churches /mosques nowadays these are things that God has forbidden. Often done we experiencing so many persistent natural disasters, false prophet of doom raising up to tell sheep of God thou says the Lord when God does not spoken, and lo confusion everywhere(No element of truth what so ever is being declare by men of God/Mallam. Taking ourselves to the gospel of our Lord, catholic member verily speaking peter was the first pope who was ordained right from the time of Jesus Christ and he said peter I will build my church on this rock and the gate of hell shall not prevail. And lo this connote the origine of church creation started from the Catholic. **Jesus replied, "Blessed are you, Simon's son of Jonah! For this was not revealed to you by flesh and blood, but by My Father in heaven. And I tell you that you are Peter, and on this rock I will build My church, and the gates of Hades will not prevail against it Mathew 17:18.** Catholic member don't be surprise to see the first shall be the last. Furthermore, as Jesus Christ declare the origin of Church from the Catholic, and was peter found sitting on a majesty chair as chair man of the Church? Nowadays the entire situation have completely change one could see the so called men of God like the mighty pope, Rev father king bush, bishop king bush the jungle ritualists and other pastors doing on usually occasion (so braggadocious familiar evil spirit being of braggard). Even with resurrection of Jesus Christ to heaven the apostles were found going from one place to another feeding the young babes who feed on taking milk and not solid food(Muslims does not believe that Jesus Christ is the son of God and lo many of the Muslim believe he resurrected and he is coming for the second time to judge the world as **shown in plate 2** . Chai.... Ewo.....Judaism are Jesus Christ brothers and yet they are seriously casting doubt of his resurrection

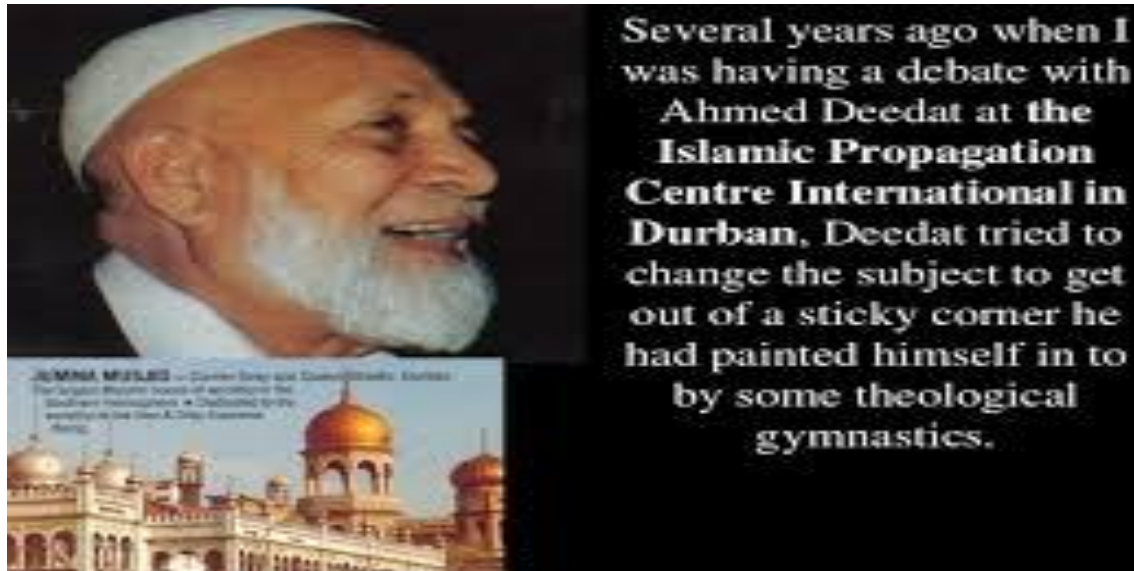

Plate 3. posted Ahmed Deedat who altered many versus of Jesus Christ Glorified names in the bible and he encourages the propagation of Islam world wide

My fellow men of God (bishops, Pastors , Rev father king bushes Apostles(wolves among the sheep) etc respectively the sheep of God are always weeping in their respective hearts that they are tired in worshipping in a building called parish or cathedral(church) hearing sermons that does not carried weight for one to be in heaven. And lo please men of God avail yourself to teach them how to catch the fishes in the rivers or seas(fishers of men in the sea of Galilee Simon peter and Andrew . As Jesus was walking beside the Sea of Galilee, He saw two brothers, *Simon called Peter and his brother Andrew. They were casting a net into the sea, for they were fishermen. "Come, follow Me," Jesus said, "and I will make you fishers of men."* **Mathew 4: 18-19**

. The sheep added that they want to be field evangelists and not church evangelists or televangelists. My fellow brethren in Christ, and lo to those who are found following men of God that are not called by God are deceiving themselves. Thus heaven needs help and God cannot sent angels to preach the gospel to unsaved souls. It is you and I that would have carried the bronze upon our shoulder for reaching out for the un-save souls. Men are tired with the confusion and religious intolerance that is engulfing the earth planet. Let it be known to you the Muslims brethren are looking for the truth so as their souls would have had rather be save. Bro what are doing for serving that good for nothing prophet of doom, rev father king bush in the parish or cathedral for only Sunday masses on weekly bases. You had better come out for being a fisher of men for Christ sake. Some fellow brethren are always complaining of the kind of tithe and impromptu offering the churches are receiving. Pastor offering , mama pastors wife offering, prophet offering all these does not make sense. The pastors and family are getting richer on poor widows suffering as shown in table 1

THERE ARE ALMOST 109 VERSES IN THE QURAN THAT TALK ABOUT THE RELIGIOUS BIGOTRIES OR INTOLERANCE OF MUSLIM BRETHREN AGAINST CHRISTIANS BRETHREN (LEAVING LIKE CAT AND RAT SYNDROME)

Ye shall know them by their fruits. Do men gather grapes of thorns, or figs of thistles Matt 7:16-17? The Muslims had proposed in their mind over their dead body would the infidel or "Kafurai" rule over them **Quran (2:244) - "Then fight in the cause of Allah, and know that Allah Heareth and knoweth all things."**

Quran (2:216) - "Fighting is prescribed for you, and ye dislike it. But it is possible that ye dislike a thing which is good for you, and that ye love a thing which is bad for you. But Allah knoweth, and ye know not." Not only does this verse establish that violence can be virtuous, but it also contradicts the myth that fighting is intended only in self-defense, since the audience was obviously not under attack at the time. From the Hadith, we know that this verse was narrated at a time that Muhammad was actually trying to motivate his people into raiding merchant caravans for loot.

Quran (3:56) - "As to those who reject faith, I will punish them with terrible agony in this world and in the Hereafter, nor will they have anyone to help."

Quran (3:151) - "Soon shall We cast terror into the hearts of the Unbelievers(Christians), for that they joined companions with Allah, for which He had sent no authority". This speaks directly of polytheists, yet it also includes Christians, since they believe in the Trinity (ie. what Muhammad incorrectly believed to be 'joining companions to Allah').

Quran (4:74) - "Let those fight in the way of Allah who sell the life of this world for the other. Whoso fighteth in the way of Allah, be he slain or be he victorious, on him We shall bestow a vast reward." The martyrs of Islam are unlike the early Christians, who were led meekly to the slaughter. These Muslims are killed in battle as they attempt to inflict death and destruction for the cause of Allah. This is the theological basis for today's suicide bombers.

Tabari 7:97 The morning after the murder of Ashraf, the Prophet declared, "Kill any Jew who falls under your power." Ashraf was a poet, killed by Muhammad's men because he insulted Islam. Here, Muhammad widens the scope of his orders to kill. An innocent Jewish businessman was then slain by his Muslim partner, merely for being non-Muslim.

Tabari 9:69 "Killing Unbelievers is a small matter to us" The words of Muhammad, prophet of Islam.

Tabari 17:187 "'By God, our religion (din) from which we have departed is better and more correct than that which these people follow. Their religion does not stop them from shedding blood, terrifying the roads, and seizing properties.' And they returned to their former religion." The words of a group of Christians who had converted to Islam, but realized their error after being shocked by the violence and looting committed in the name of Allah. The price of their decision to return to a religion of peace was that the men were beheaded and the woman and children enslaved by the caliph Ali

Please, Muslim brethren don't be offended regarding to these verses that the Quran talk about, for the world is looking for the truth and no one religion is greater than any other one religion . If Jesus Christ is coming in the next 100 year or thereafter to judge the world, Muslim brethren what is your justification in killing God Creatures for God sake. For instant, if a Muslim brother kill me right now and what is the probability that he/ she will spent 60 years. It is appointed for man once live on this earth and lo after dead judgment. Who is the judge? is Jesus Christ Glorified that the Almighty God will send to declare judgement on whether one is Muslim, Budish , Hindus, free thinkers etc., respectively . The sheep shall be separated from the goats to bottomless hell of fire for ever and ever. In Hausa language "Adun-adun" Thanks Prof.waitincalled please don't offended if destiny waster engineer Iliya Duniya has not wake me up may be I would have had been sleeping like wet chicken

III. MATERIAL S AND METHODS

CHAPTER THREE

THE CATEGORIES OF THE SPIRIT OF DEATH

Where for, as by one man sin enter into the world, and death by sin: and so death passed upon all men for that all have sinned Roman 5:12

Since man has disobey God and fell from grace to disgrace the fallen Lucifer (Satan) and his cohort, they started gathering momentum and working tirelessly in combination of the spirit of death called **Bahammah**; hence, friend ship began to legitimately associate with the already mentioned abominable kingdom. Under this kingdom of death, they were ten divisions and several other divisional heads of death are purposely meant to punish the entire human race. They are as follows:

1. **Bahammah, Bahammahs, Bamly and Acavis.**
2. **Bahalys**
3. **Balamas**
4. **Bypemis**
5. **Bybees**
6. **Bappyees**
7. **Bappoly** According to Bishop K.K Daggayah (2005).

The first four dimensions stated above meanly control the 4 pillars of the Universe. (**Bahammah, Bahammahs, Bamly and Acavis**) as death spirits can kill **anything, anytime, anyhow, whatever** and **whosoever** in any personality within the areas of satanic jurisdiction but outside that with Jesus Christ Glorified you are hundred percent secured Amen!

BAHALYS

They play a synergy relationship with 700million lawless spirits. What are this lawless spirits? They are spirits that habited a given area right from when man sold his birth right to the devil. And these spirits could be there dormant until when higher one comes in, to stir them up into function. No matter how long the land belong to you that have been claimed by your (great)² great grandfather; they are up to today under the jurisdiction of the lawless spirits controlling that areas by law in sleepless manner. But once triggered by other forces they are no longer lawless spirits; instead, non lawless but active spirits. **Bahalys** is in charge of sudden and untimely death among humans, trees and animals.

They are also in charge of accidents, plane- crashes and other catastrophes or the so called natural disasters. Bahalys is in charge of premature birth, born to die (Ogbanje, child black Witches), still birth, miscarriage, assassination conspiracy, sudden failures, sudden breakdown that leads to death. E.g. heart failure, cardiac arrest, and meningitis

BALAMAS

They also function with 700million lawless spirits called the Milegh. Balamas kills people who have suffered long standing sicknesses and diseases. That is, protracted illnesses. Bahamas are in charge of any sickness that can lead to death after seven days. They are also in charge of distributing generational wretchedness that is poverty that lingers from one generational to another. Balamas are capable of killing one's brain which may lead such a person into becoming a vegetable. They are spirit in charge of constant forgetfulness, which may eventually led to loss of memory that is attached to old age. They are in charge of long-standing hatred and enmity; that is, if you are in enmity with any one, this spirit of death is in charge of such ones, examples Israel and Palestine, mankind and death, believers and fear, ignorance and knowledge, light and darkness. Also, long standing quarrels between husband and wives, within families, communities and nations. are in charge of smoking, drug addiction, narcotics, alcoholism and all those long-standing ungodly behaviors and habits for which, perhaps you had fasted and did all manner of supplications, yet refused to go. Balamas often works with the religious spirit of frustration called 'Al-syrtel' Al syrtel specializes in stealing people's joy and works with water. So it will not affect you if you do not have water in your body or house and if you do not have water; it will hand you over to Bahalys that kills suddenly without water. Balamas are in charge of sickle cell anemia, hypertensions, hypo tensions, water borne disease, rain induced disease, air pollution, water and environmental pollutions, desert encroachment and bad weatherare capable of generating unusual cloud, imposing darkness to the eyes, brain and so on. They give room to filthy dreams and dreamers (dream of the occultists). They project fear of death as thus says the Lord Back up scripture

And deliver them who through fear of death were their entire life time subject to bondage –Hebrews 2:15. Likewise also these filthy dreamers defile the flesh, despise dominion, and speak evil of dignities- Jude 1:8

Balamas are in charge of petition writing against any individual, state or country. They are also in charge of intercontinental hatred. They are also in charge of scrutiny (i.e. passports), suspicion and false accusation. They control habitual lying tongues and generational ugly habits. They project elephantiasis.

BYEPEMIS

These also work with 700 million dangerous lawless spirits. They are the spirits of death that are in charge of condemned persons, whether condemned by the law of individual, state, community, country or continent or sentenced to executions by an unlawful condition. Byepemis controls that environment to make other ungodly youth to be hardened. They are capable of increasing local, National and international crime. They are in charge of ritual killing for the pleasure of death spirits. They are in charge of accidental discharge by the police, Army, any military, paramilitary and individuals (that is, a sudden application of a force that is capable of killing any one). Occasionally you may hear gunshot but when investigated, no human was actually shooting, but Byepemis. Whenever a strange gunshots heard like that, it is either the spirit of death is passing through that environment for an assignment, or an announcement of somebody's death, for, there must be a recorded death of 700, or 7000 persons, and this must happened within 7 weeks in the environment, or a 7 miles radius. When you commit abortion, or advise someone to commit abortion. Or give someone money to go and abort, or you are paid to it, from that day Byepemis become a monitoring Milegh in your affairs that must bring sorrow in the future. Byepemis controls the person that commits the abortion, control the children who are aborted, the persons and the medical personnel who are involved. Byepemis control that environment and the generation of those that are involved. Byepemis are also in charge food, mouth, eye and behavioral poisons. Note that it is not only through food that one could be poison, but also through wicked looking, behavior, or through imagination. If you have killed through any of these, Byepemis are in your neighborhood.

BYEBEES

These are well function with 700 millions lawless spirits. They are in charge of suicide by imagination. When someone always feels like dying, is always thinking of committing suicide and is instigating or directing suicide e.g. individual and mass suicide as in the case of Judas, these spirits are in charge. ***And he cast down the pieces of silver in the temple and departed, and went and hanged himself Mathew 27:5.*** Byebees are in charge of organized murder, like in the case of Stephen; ***and they stone Stephen, calling upon God, and saying, Lord Jesus, received my spirit. And he kneels down and cries with a loud voice, Lord, let not this sin to their charge. And when he heard said this, he felt as sleep. Act 7:59-60.*** These spirits always monitors the families of those that murder and those that were murdered, to cause long standing sorrow, suffering and failure.

BAPPYEEES

They also function with 700 millions lawless spirits. These are in charge of very rigid and stubborn situation, individual poverty, infirmities such arthritis, Convulsion, epilepsy, local and intercontinental infirmities. They operate with basket of troubles and are capable of causing troubles where none existed. They are in charge or instigation, conspiracies, gossips and despising of good things. They are able to cause strife's between individual, families and nations. They are in charge of unfaithfulness in tithes and offerings, given of portion 7 and 8 there by attracting curses instead of blessing, Bappyees function more where ever the children of God gather. They sow the seed of stubbornness, nagging, complaining and quarreling. These are the spirit of judgment that makes one to be easily provoked for example Cain, who kills Abel. ***If thou does well, shall thou not be accepted? And if thou does not well, sin lieth at the door and unto thee shall be his desire, and thou shall rule over him and Cain talk with Abel his brother: and it came to passed, When they were in the field, that Cain rose up against Abel his brother and slew him. And the Lord said unto Cain, Where is Abel thy brother? And he said I know not am I my brother's keeper? Genesis 4:7-9.***

They are in charge of shame, nakedness and humiliation. This spirit inspired people to dig grave for themselves against their day of death, while they are still alive. They are the controllers of cemeteries and the inspiration behind necromancers, enchanters, and conjurer and so on. If you have grave in your room, compound, or close to your house, it means you are living together with Bappyees and their 700 millions lawless spirits. Because of the cemetery you have created in your environment or house. Bappyees are in charge of sculptures, especially of death people, when someone dies, his original; image disappears while Bappyees takes over, to control and to suppress. Bappyees are responsible for seeing death people in the dreams or remembering the death through ceremonies. Any family that is not Godly and loses someone, Bappyees will take over that family and possess the people that will use the properties of the death person.

BAPPPOLY

These operate with 700million lawless spirits as well. They function in the forest as well as in the city. They are in charge of any death animal tree, dried leaves, strangulated animal and ritual animals. These spirits are behind cannibalism (i.e. human beings eating one another and animal eating each other), ritual animals and human beings used for rituals. Bappoly control both the person that uses them and the one being used. They are in charge of slavery, operation, depression and frustration. They are capable of killing and destroying the root of any generation. These spirits are responsible for curses like generational curses, cross culture curses, ungodly laws for territories, nations and continents. The above-mentioned lawless spirits must function with not less than 700 million movement of the Milegh as indicated above. They are also capable of distributing 7000 lawless spirits to wherever there casualty is. Each grave contains 7000 lawless spirits and anyone that prepares such a grave contact the same number of lawless spirits. If you go for a burial without the light of God's sanity (that is, unprepared in the Holy Ghost), you will contact 7000 lawless spirits, as you shake hands with someone who attends a burial, 7000 lawless spirits, are deposited in to you. If someone brings the news of death to you, immediately you hear it, you contact 7000 lawless spirits except you divert them with the name and mercy of Jesus Christ Glorified, or you are a person whose stand with God is very sure and solid. If you are a coffin maker, your generation cannot be absolved of wretchedness. It is true that you may be making money but at the same time accumulating troubles for your generations, because coffins did not originate from God. It a sad thing to hear that coffins is now being brought into the churches with dead bodies. Any church that does this will not cease from constant burial of their members. It is not in the tradition of God to toy with dead bodies, which is nowadays acceptable in some churches. God warned the Israelites not to celebrate the death at all due to its abomination as it is written

Whosoever touched the dead body of any man that is dead, and purified not himself, defiles the tabernacle of the Lord; and that soul shall be cut off from Israel: because the water of separation was not sprinkled upon him, he shall be unclean; his uncleanness is yet upon him. This is the law, when a man diet in a tent, and all that is in the tent, shall be unclean seven days. And every open vessel, which hath no covering bound upon it,

is unclean. Numbers 19:13-15. Jesus Christ Glorified, the only Lord and Savior as well as the way, the Truth and life says

Am the God of Abraham, and the God of Isaac, and the God of Jacob? God is not the God of dead, but of the living Mathew 22: 32. For he is not a God of the dead, but of the living: for all live unto him. Luke 20:38 Paul Apostle said that death is a corruption *So also is the resurrection of the dead. It is sown in corruption; it is raised in incorruption. I Corinthians 15:42.* Also the book of Daniel and Numbers described death as a shame and contempt.

And many of them that sleep in the dust of the earth shall awake, some to everlasting life, some to everlasting shame and everlasting contempt to Daniel 12:2. According to the book of psalm, death is described as a valley and shadow of sorrow. *Yea though i walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me Psalm 23:4.* Death is an abominable prison according to. *Hell from beneath is moved for thee to meet at thy coming: it stirred up the dead for thee, even all the chief ones of the earth; it hath raised up from their thrones all the kings of the nations Isaiah 14:9.* Death is a hiding place for abomination, iniquity, transgression, necromancy, occultism and all other forms of iniquity. *There is no darkness, nor shadow of death, where the workers of iniquity may hide themselves. Job 34:22*

Since man sold his birth from the Garden of Eden to the so-called devil or Satan, then God passes his final judgment on death to all mankind as well as an inevitable event to all races. Therefore death is the final bus stopped to mankind on the surface of the earth. Nevertheless, it is a systematic and a transformation agenda, to whosoever believed in Christ and live Christ like life here on the surface of the earth to another newly developed mansion made of Gold, Diamond and Silver by our Lord Jesus Christ Glorified home for the righteous (Heaven). However, Brethren's in Christ please do you good to leave a holy life. *For without holiness no man shall see God. Holiness is the beauty of a believer.* Brother and sister don't relent on the assignment of God for telling the truth which is virtually known as bitter entity for the unsaved soul or reach out the message to unknown places either by action or the charisma that God has bestowed on you. And also let men see Christ in you so that men will glorify our God; in the office, at home or elsewhere; and heaven is sure for you and me. Be warned!!! Not to toy with dead bodies or eat anything strangled to death

IV. CONCLUSION

Finally brethren whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any praise, think on these things. My fellow brethren if man kind would have had known the truth so early being one a Muslim, Christian, Judaism, Hindu, Budish the world would have a better place for us to live or rather heaven on earth. Let embrace the truth and also be our brother's keepers. For lo the truth shall always set us free in our every day undertaking.
